

ThaiMedics

Treatment in Thailand

COMPANY PROFILE

Advanced Healthcare, Personalized for You.

Your Trusted Medical Tourism
& Healthcare Partner in Thailand

Your Health, Without Borders.

Navigating international healthcare can be complex and overwhelming. At ThaiMedics, we make it simple. We are your dedicated bridge to world-class medical treatment in Thailand, providing seamless, end-to-end support for patients from Bangladesh and beyond.

● Who We Are

Founded in 2017, ThaiMedics is a leading medical facilitation company with a physical presence in both Dhaka and Bangkok. We are the official partner of the renowned Bangkok Hospital in Bangladesh, a testament to our credibility and expertise

● What We Do

We manage every detail of your medical journey. From securing your visa and booking appointments with top specialists to arranging flights, accommodation, and even providing language interpreters, we handle the logistics so you can focus on what truly matters: your health.

● Why Patients Trust Us

We believe in care that goes beyond medicine. Our patient-centric approach ensures you receive personalized attention, compassionate support, and complete transparency at every step. We are your advocates, your coordinators, and your trusted partners in healthcare.

The ThaiMedics Difference

12,000+ Patients Supported

We have successfully guided thousands of patients on their path to wellness.

20+ Premier Partner Hospitals

We connect you with Thailand's most respected and accredited medical institutions.

24/7 Dedicated Patient Support

Our teams in Dhaka and Bangkok are always available for your peace of mind.

98% Patient Satisfaction Rate

Our commitment to excellence is reflected in the trust our patients place in us.

Your Seamless Healthcare Journey

Step 1

Free Initial Consultation

Contact our Dhaka office. We will discuss your medical needs, answer your questions, and provide a preliminary plan and cost estimate, completely free of charge.

Step 3

Arrival & Treatment in Thailand

You will be greeted at the airport and escorted to your hotel or hospital. Our Bangkok team and dedicated interpreters will be with you during hospital visits to ensure clear communication.

Step 2

We Handle Everything

Once you decide to proceed, we manage it all: medical visa processing, specialist appointments, flight booking, and accommodation. You receive a clear, organized itinerary.

Step 4

Recovery & Return Home

We provide post-treatment support and coordinate any follow-up care needed once you return to Bangladesh, ensuring a smooth and complete recovery.
